

Partnership Opportunity Notice

AFFORDABLE HOUSING DEVELOPMENT
HALIFAX REGIONAL MUNICIPALITY

1 CIRCASSION DRIVE

Overview

As the provincial entity responsible for the administration and delivery of affordable housing solutions, Housing Nova Scotia (HNS) supports low-to-modest income Nova Scotians every day through the delivery of programs and services across the housing spectrum. HNS is requesting responses to this Partnership Opportunity Notice (PON) to have more affordable housing built in communities.

The Nova Scotia Affordable Housing Commission released its report on May 31, 2021, outlining 17 recommendations and 60 key actions for increasing the supply of, and access to affordable housing in Nova Scotia. Specifically, the Commission called for government to ‘create a program to use vacant or under-utilized public land suitable for residential use, or buildings for affordable housing and incentivize their development.’

In response to this recommendation, HNS is making Provincially owned land available to an eligible applicant(s) committed to creating new affordable rental housing in the province. To assist in offsetting some development costs, a long-term land lease for a nominal rent will be considered in exchange for a commitment to create and maintain affordable units permanently or over an identified time horizon.

This land contribution will be awarded based on an evaluation of various criteria including the applicant’s organizational capacity and depth of affordability proposed. Additional considerations include, but are not limited to, the level of socio-economic, environmental, and accessibility outcomes to be achieved.

Applicants who demonstrate a commitment to exceed the minimum requirements for affordability, energy efficiency, and accessibility while ensuring the long-term financial viability of their project will be prioritized.

Eligible Applicants

Applicant must be, or partner with, a Nova Scotia based organization to be eligible for this opportunity.

All types of operating models will be considered, including but not limited to:

- Indigenous governing bodies and organizations (off reserve)
- Community housing organizations
- Non-profit organizations (including co-ops)
- Private corporations
- Municipalities

Cross-sectoral partnerships are encouraged.

Mandatory Minimum Criteria

Financial Viability: Projects must demonstrate a means to be financially sustainable or describe how they will obtain subsidy to offset any projected operating losses. All funding sources must be disclosed, and related funding details provided.

Affordability: Designated affordable units must serve households in core housing need with rental rates established at or below 80% of average market rent (AMR). AMR can be found at the CMHC Housing portal: <https://www03.cmhc-schl.gc.ca/hmip-pimh/en#Profile/12/2/Nova%20Scotia>

Environmental Considerations: National Building Code minimum standards required. Priority will be given to projects incorporating Net-Zero energy performance targets by either:

1. **Building to Net-Zero** from the onset and including all the necessary energy modelling before and after construction to demonstrate that Net-Zero has been achieved. Or,
2. **Building to Passive House Standards** with the requirement of having the building Net-Zero ready, i.e. have the infrastructure for PVs to be added at a later date so that the energy consumed by the building is equal to the energy generated.

Accessibility Considerations: National Building Code minimum standards required. However, applicants are highly encouraged to integrate Barrier Free (BF) design requirements and HNS Visitability Standards within a minimum number of units in their project, found here:

https://housing.novascotia.ca/sites/default/files/HNS_Visitability_Requirements.pdf

Property Management: Applicants must have a minimum of five (5) years' property management experience. In lieu of property management experience, applicants may hire or partner with a professional third-party property management firm acceptable to HNS. Experience in affordable housing property management is an asset.

Real Estate Development Experience: Applicants must have successfully completed a similar project on time and within budget. Alternatively, applicants may hire or partner with a third-party developer, acceptable to HNS, who has experience building similar projects.

Equity Contribution: Applicants with sufficient assets to contribute a reasonable equity component to support the proposed development and who have a demonstrated ability to accommodate unexpected increases in construction costs will be given priority. A reasonable minimum equity contribution is typically equivalent to twenty percent (20%) of the proposed project's eligible capital development costs, including land. Where the land for this project is being contributed by HNS, flexibility will be considered when assessing the applicant's equity contribution.

This PON is available to projects that meet and/or exceed the minimum requirements. Verification of project details and evaluation will determine whether a project is selected. Simply meeting the minimum requirements will not guarantee that a proposal will be selected. Applicants are responsible to provide sufficient documentation that will verify compliance with the eligibility requirements.

Proposals received during the submission period will be ranked in comparison to other concurrent proposals based on the project's overall suitability. More specifically, the following criteria will be used to evaluate, rank, and determine a proposals overall strength and level of project suitability:

Innovation

Does the project utilize innovative construction methods, partnerships, operating models or services?

Project Viability & sustainability

Is the project feasible and viable, both through capital financial assembly and ongoing operating pro-forma, as well as the project environment (MPS policies, environmental, site constraints etc.)? Is the project aligned with the recommendations of the Affordable Housing Commission, the objectives of the National Housing Strategy, the Nova Scotia environmental and accessibility targets, or other government priorities?

Scale

Is the project of a scale that it may have impact? Priority will be given to projects with a higher density of units and higher scale of affordable units.

Project Stage & Timeline

How rapidly does the proposed timeline bring new affordable housing to market? How realistic is the proposed timeline?

Ability to Deliver

Can the main applicant and its partners deliver the project as per timeline? Overcome any unforeseen obstacles? Assemble proposed funding?

People Served

Does the project serve people who are part of specific vulnerable population? Any cultural community of significance? Any location of importance? [Visit CMHC](#) for a definition of vulnerable populations.

The successful applicant will be notified to discuss terms and conditions and any other requirements to move the project forward.

Note: HNS will consider all proposals but is under no obligation to approve any application and move forward with the PON if, in HNS' opinion, no suitable submissions are received.

Proposal Submission Requirements

Applicants can present their submission in the form and format of their choice. Proposals must be submitted in PDF to **HousingLandPartnership@novascotia.ca** on or before **January 31, 2022 at 5 pm (AST)**. Submissions must be clear, concise and include the following sections:

- 1. Project Description:** Should include, but not limited to:
 - a. Innovative approach – describe the project and explain what makes it different.
 - b. Any partnership(s), including the names of key individuals and organizations.
 - c. Total number of project units, including rental rates.
 - d. Meeting or exceeding affordability, environmental, accessibility, etc. standards.
 - e. Aligning with Nova Scotia Affordable Housing Commission recommendations.
 - f. National Housing Strategy, or other provincial priorities (e.g. health, environment, economic growth, seniors)
 - h. If early seed funding is required, what will it be used for? Have you also applied to CMHC or HNS for other funding opportunities such as the provincial Affordable Housing Demonstration Projects Initiative?
- 2. Applicant & Development Team:** Should highlight experience in real estate development and property management, with experience in managing affordable housing developments as an asset.
- 3. HNS Contributed Site:** Describe how the proposed development concept is suitable for the land being contributed and identify the land ownership interest being requested for this project (leasehold, fee simple, or other) and provide all supporting rationale. Note that a lease arrangement is the preferred option.
- 4. Market Demand & People Served**
- 5. Project Funding & Financing**

Appendices should not exceed 20 type written pages and should include:

- Drawings and Site Concept Plan
- Proposed Project & Construction Schedule
- Construction Cost Estimates (Class D or higher)
- Confirmation of Project Financing and Funding – Sources of Capital
- Operating Pro-Forma Statements

Letters of Reference can also be submitted to demonstrate your experience in delivery of similar projects.
